Borealis appoints Britta Warnke as Vice President Mobility & Advanced Products

Borealis announces the appointment of Britta Warnke as Vice President Mobility & Advanced Products effective August 2022. In this position, she is responsible for driving the respective businesses globally in line with Borealis' circular ambitions.

Before joining Borealis in 2018 in the role of Director, Customer Experience & Business Intelligence, Britta Warnke occupied several international marketing, sales, and business transformation positions at Cabot Corporation, Amcor and Lufthansa in countries such as Germany, Spain, Switzerland, the US, Latvia, the UK, and Australia.

She holds an MBA from INSEAD, a Bachelor's degree in International Business Administration from VWA in Stuttgart, Germany, a Master's degree in Space Science and a Bachelor's degree in Natural Sciences from the Open University, the United Kingdom and a Master's degree in History from the FernUniversität in Hagen, Germany.

"Since joining Borealis in 2018, Britta Warnke has consistently delivered a stellar performance," says Lucrece Foufopoulos, Executive Vice President Polyolefins, Circular Economy Solutions and Innovations & Technology. "Her rich background, skills and competences will be key to helping Borealis realize our continued transformation towards a carbon-neutral, advanced and circular growth business."

About Borealis

Borealis is one of the world's leading providers of advanced and sustainable polyolefin solutions and a European front-runner in polyolefins recycling. In Europe, we are a market leader in base chemicals and fertilizers. We leverage our polymer expertise and decades of experience to offer value adding, innovative and circular material solutions for key industries such as consumer products, energy, healthcare, infrastructure and mobility.

In re-inventing essentials for sustainable living, we build on our commitment to safety, our people, innovation and technology, and performance excellence. We are accelerating the transformation to a circular economy of polyolefins and expanding our geographical footprint to better serve our customers around the globe.

With head offices in Vienna, Austria, we employ 6,900 employees and operate in over 120 countries. In 2021, we generated total sales of EUR 12.342 billion and a net profit of EUR 1,396 million. OMV, the Austria-based international oil and gas company, owns 75% of our shares, while the remaining 25% is owned by a holding company of the Abu-Dhabi based Mubadala. We supply services and products to customers around the globe through Borealis and two important joint ventures: Borouge (with the Abu Dhabi National Oil Company, or ADNOC, based in UAE); and Baystar™ (with TotalEnergies, based in the US). www.borealisgroup.com | www.borealiseverminds.com
