Borealis and YILDIRIM announce completion of the sale of Borealis' shareholding in Rosier SA to YILDIRIM Group's YILFERT Holding

On 26 September 2022, Borealis AG and YILDIRIM Group's YILFERT Holding announced that they signed a binding agreement for the acquisition of Borealis' shares in Rosier SA. On 2 January 2023, such sale of Borealis' shares in Rosier SA to Yilfert Holding has been completed. Following the completion of the sale, Borealis no longer holds any shares in Rosier SA. In accordance with the press release dated 8 November 2022, Yilfert Holding, which following the completion of the sale holds 98.09% of the shares in Rosier SA, will launch a mandatory takeover bid followed by a squeeze out for the remaining Rosier shares at a price of EUR 20 per share, in accordance with article 50 of the Belgian Royal Decree on Public Takeover Bids.

About Borealis

Borealis is one of the world's leading providers of advanced and sustainable polyolefin solutions and a European front-runner in polyolefins recycling. In Europe, we are a market leader in base chemicals and fertilizers. We leverage our polymer expertise and decades of experience to offer value adding, innovative and circular material solutions for key industries such as consumer products, energy, healthcare, infrastructure and mobility. In re-inventing essentials for sustainable living, we build on our commitment to safety, our people, innovation and technology, and performance excellence. We are accelerating the transformation to a circular economy of polyolefins and expanding our geographical footprint to better serve our customers around the globe.

With head offices in Vienna, Austria, we employ 6,900 employees and operate in over 120 countries. In 2021, we generated total sales of EUR 12.3 billion and a net profit of EUR 1,396 million. OMV, the Austria-based international oil and gas company, owns 75% of our shares, while the remaining 25% is owned by Abu Dhabi National Oil Company, or ADNOC, based in the United Arab Emirates (UAE). We supply services and products to customers around the globe through Borealis and two important joint ventures: Borouge (with ADNOC, headquartered in the UAE); and Baystar™ (with TotalEnergies, based in the US).
